SOURCE

- l. An sirfield was under construction about 6 miles northeast of KUGGLIN (0 55/H 55), between the railroad line and the read to DANZIG, east of SCHUBBEN (0 55/H 55), north of ZANOV. The field was surrounded by barbedwire and was guarded by sentries.
- 2. The about 3,300 x 4,000-foot field had a rolled landing field. It has not been occupied by air force units.
